Rainbow Global Technology Corporation (RGT) is a BBBEE Level 1 contributor and an experienced auto electrical entity.

CEO - James Mnisi

INTRODUCTION

ABOUT US

RGT Corporation was founded in 2010. We are your one convenient heavy-duty auto electrical component manufacture and supplier.

Having done our own study for a decade now, we have identified the demand for quality auto electrical components in the light & heavy duty automotive and mining industry.

We have made it our priority not to compromise on quality by sourcing top quality brands to meet your needs. Based in North Gauteng Pretoria we have aimed at expanding to other provinces in the near future.

VISION

As a fully black owned company, we are intending to become a leader in the manufacturing sector. We continue to expand our forward thinking and consider each idea from our diverse pool. This will help us reach for new possibilities when considering business development with new products worldwide.

MISSION

With full observation and great focus paid to the premier level of light and heavy-duty auto electrical engineering sector. Our focus is to equip our employees with extensive manufacturing and engineering knowledge.

In turn, we will exceed our customers expectations by bringing world class service and quality products to the mining, agricultural, transport, marine, light and heavy duty industry.

PRODUCT RANGE

BATTERIES & ACCESSORIES

- Light-duty Batteries
- Heavy-duty Batteries
- Maintenance Free Batteries
- Load Tester
- Battery Chargers
- Jump Starter Packs
- Light & Heavy-duty Battery Terminal

LIGHTS

- Led truck Lights
- Led Combination Lights
- Back Lights
- Emergency Lights
- Reflectors
- Safety Lights
- Work Lights
- Rotation Beacons
- Strobe Lights
- Flat Bar Lights
- Road Construction Safety Lights

LIGHT & HEAVY DUTY AUTO ELECTRICAL COMPONENTS

- Starters
- Alternators
- Bendix drives
- Relays
- Fuses
- Field coils
- Armatures
- Globes
- Regulators
- Terminals
- Hooters
- Rectifiers
- Brackets
- Solenoids
- Switches

PRODUCT RANGE

SAFETY COMPONENTS

- Backup Alarms
- Safety Switches

ALTERNATIVE ENERGY

- Backup/Ups
- Supercapacitors
- FOX ESS
- Solar Batteries
- Solar Kits
- Solar Panel Modules

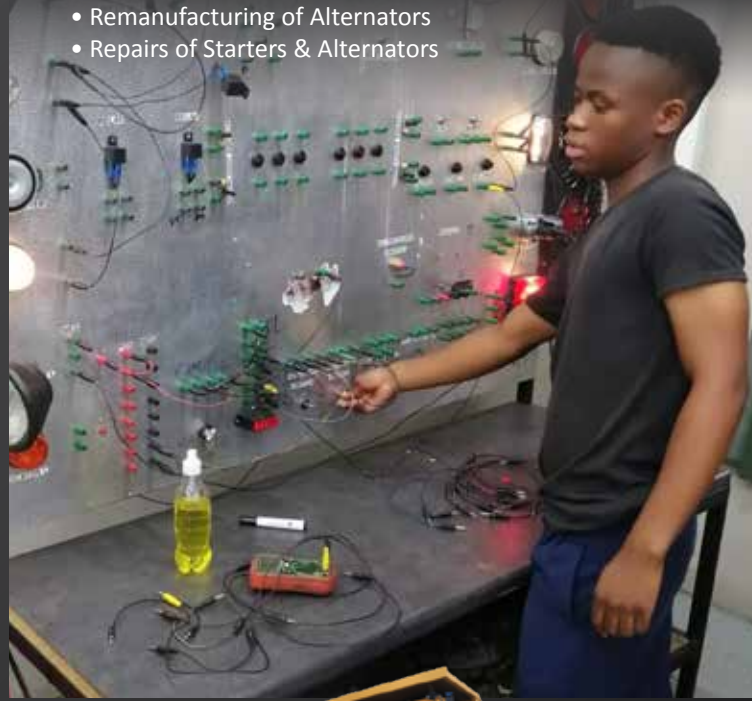

ENGINE COOLING SYSTEMS

- Fan Drivers
- Direct Drives
- Fan Clutch Repair Kits
- Repairing of Fan Clutches

WORKSHOP SERVICES

- Remanufacturing of Starters
- Remanufacturing of Alternators
- Repairs of Starters & Alternators

COLLISION AVOIDANCE SYSTEMS

- Proximity Detection System
- Truck to Person Scenario
- Vehicle to Vehicle Interaction Scenario
- Intersection & Curving Head on Interaction Scenario

AIR PRODUCTS

- Refrigerant Air Dryers
- Compressors
- Air Filter Elements
- Oil Filter Elements
- Screw Compressors
- Oil Separator Elements
- Oil Coolers, Minimum Pressure Belts
- Cooling Fans, Air End Complete, Suction Boxes
